“One Step Towards Sustainable Future”

ECOSAVER FOUNDATION

SUSTAINABILITY
EVERYTHING'S CONNECTED

Ecosaver Foundation is a Non-Governmental Organization (NGO) registered under Indian Trust Act 1882. Inspired by its mission & vision, **Ecosaver Foundation** is working towards creating a brighter & sustainable future. **Ecosaver Foundation** is established and managed by a diverse group of highly experienced professionals. This Foundation is an amalgamation of very young, experienced & dynamic team of experts; our core team comprises environment & resource conservation including water & waste water experts, occupational health & Safety experts, legal compliance management experts, social development, manpower/personals management & Industrial relations experts, financial and institutional experts.

Ecosaver Foundation has a proud association with different individual experts, agencies and organizations within our country and in overseas as well. Our organization has association with several leading and well recognized laboratory, engineering & consulting firms having competency and expertise in other areas. The associations with experts & firms have not only powered our growth but also helped us to address the deliverables in an integrated fashion.

Our Vision

Vision of Ecosaver Foundation is to reach out to general masses with the awareness programs and services to established grassroot level self-sustaining solutions & development frameworks for Society & for overall Environment.

Our mission statements are;

- To transform & empower the society to build a sustainable future for the community and the planet.
- To assist organization for Sustainable development in its overall Performance to increase profitability and business growth.
- To actively contribute to the social and economic development of the communities in which we operate.
- Continually respond to the changing social realities through the development and application of knowledge, towards development of sustainable society that promote and protects the equality, social justice and Human Rights for all.

"One Step Towards Sustainable Future"

ECOSAVER FOUNDATION
